His No: 2392/102, dated 19th November 1894, forwarding copy of ~~the~~ Chief Secretary's No: 7764/G. 1868, regarding the discrepancy in the entry of the age of Toddy Daroga Venkatramaya in the annual establishment schedules forwarded to the Comptroller.

With reference to the above, I have the honor to state that the year of birth of Daroga Venkatramaya was first entered by a clerical

clerical error as 1837 instead of 1857 in the schedule of 1893. In the previous schedules the year of birth was variously given as 1855, 1856 and 1857. In none of the schedules however was the year 1837 mentioned. As a matter of fact Venkatramaya is not more than 55 years old. He looks very much younger and his statement that he is 39 years old is supported by his horoscope, an extract from which is enclosed. The Senior Surgeon also certifies that by appearance Venkatramaya is about 38 or 39 years old.

Excise Commissioner's Office

Sir

Adverting to your docket No. 9957, E. 300, dated the 13/16th May 1896, I have the honor to furnish the following information on the several points therein mentioned, regarding Excise Supervisor Venkataramanya:—

(1) This official appears to have been first entertained from the 1st February 1877, as per Chitaldroog Deputy Commissioner's original Kanarese Order No 310 dated the 17th February 1877, herewith sent for reference and return.

(2) The Deputy Commissioner, Chitaldroog, was requested to refer to the Medical Certificate or other records, and to report the age &c

of

of the Official as therein shown.

The Deputy Commissioner reports in his docket No. 207, dated the 7/8th instant, that the date of the Official's birth is given as 10th August 1855 in the Schedule of establishment for the year 1879.

(3) The information on which the year of the official's birth was variously stated as 1855, 1856, and 1857 in the Schedules of establishments sent to the Comptroller, cannot be traced. The official's explanation on the subject is herewith submitted.

(4) The horoscope appears to have been first produced before the late Deputy Commissioner Mir Sujait Ali Khan Salik, when the official's age was stated to have been incorrectly entered in the list of officials reported by the Comptroller to have attained the age of 55 years. No enquiry seems to have been made beyond examining the original horoscope.

2. The Officials Service Register and the original

Since received 22/11/05.

original horoscope, received from them, are herewith submitted.

3. In the Bangalore Directory the English year corresponding to the native year "Nala" is given as 1856-57. The native Almanac of the year "Nala" may probably be found in the Vernacular records of the Dewan's Office. The correct English year corresponding to the native year "Nala" can be ascertained by a reference to such Almanac.

Sir,
